

Horizon Technology Finance Announces Monthly Distributions for October, November and December 2020 Totaling \$0.30 per Share

July 28, 2020

FARMINGTON, Conn., July 28, 2020 /PRNewswire/ -- Horizon Technology Finance Corporation (NASDAQ: HRZN) ("Horizon") (the "Company"), a leading specialty finance company that provides capital in the form of secured loans to venture capital backed companies in the technology, life science, healthcare information and services, and sustainability industries, announced today that its board of directors has declared monthly cash distributions of \$0.10 per share payable in each of October, November and December 2020. These monthly distributions, payable as set forth in the table below, total \$0.30 per share. Including the monthly distributions declared in the third quarter of 2020, Horizon has declared \$13.57 per share in cumulative distributions since its 2010 initial public offering.

Monthly Distributions Declared in Third Quarter 2020

Ex-Dividend Date	Record Date	Payment Date	Amount per Share
September 16, 2020	September 17, 2020	October 16, 2020	\$0.10
October 19, 2020	October 20, 2020	November 16, 2020	\$0.10
November 17, 2020	November 18, 2020	December 15, 2020	\$0.10
		Total:	\$0.30

When declaring distributions, the Horizon board of directors reviews estimates of taxable income available for distribution, which may differ from consolidated net income under generally accepted accounting principles due to (i) changes in unrealized appreciation and depreciation, (ii) temporary and permanent differences in income and expense recognition, and (iii) the amount of spillover income carried over from a given year for distribution in the following year. The final determination of taxable income for each tax year, as well as the tax attributes for distributions in such tax year, will be made after the close of the tax year.

Horizon maintains a "Dividend Reinvestment Plan" ("DRIP") that provides for the reinvestment of distributions on behalf of its stockholders, unless a stockholder has elected to receive distributions in cash. As a result, if Horizon declares a distribution, its stockholders who have not "opted out" of the DRIP by the distribution record date will have their distribution automatically reinvested into additional shares of Horizon's common stock. Horizon has the option to satisfy the share requirements of the DRIP through the issuance of new shares of common stock or through open market purchases of common stock by the DRIP plan administrator. Newly-issued shares will be valued based upon the final closing price of Horizon's common stock on a specified valuation date for each distribution as determined by Horizon's board of directors. Shares purchased in the open market to satisfy the DRIP requirements will be valued based upon the average price of the applicable shares purchased by the DRIP plan administrator, before any associated brokerage or other costs, which are borne by Horizon.
